

Job Title: Mid-weight Graphic Designer

Location: Dubai, UAE

About the Company: I-AM is an award-winning design consultancy that creates brand identities and retail experiences for a variety of clients across the globe

Description:

- Conceptualize a range of creative, original and innovative solutions to project briefs
- Effectively communicate developed concepts internally and as part of client pitches and presentations
- Develop designs and incorporate changes to initial concepts upon clear design direction from I-AM team
- Liaise with the I-AM team to ensure all design concepts, visual brand directions and visualizations are to the highest standards, fit to purpose and within project time and budget constraints
- Create final artwork for print production and all specifications for design and build
- Design 2D elements in line with 'the brand' and ensure consistency between 2D design elements and other brand manifestations – print, digital and 3D environments

Qualifications:

- **3 years minimum relevant experience creating brand identities and applying them to both 2D and 3D environments in a client facing role**
- **Proven working knowledge of Adobe CS Software and MS Office Suite**
- *Preferred industry experience in design for banking, food & beverage and retail*
- *Preferred digital knowledge/experience is a bonus*
