Contract: To be employed on a contract basis – 1 year with the potential to extend

Job Posted: 27<sup>th</sup> March

Job start date: End of April 2019

We are an international design agency specialising in branding and interior design. Our company has a proven track record within the food, hospitality, finance and retail sectors. We have a high-profile client roster and are currently working on projects across the globe.

We are looking for an intelligent, detail-oriented designer to work at a Middleweight level on a dedicated, project specific team for our exciting international Coffee Shop client. This project team have a close relationship with our client, and we are seen as an extension of their internal team. The candidate we are looking for must have a minimum of 3 years proven experience working on interior design projects and be as comfortable liaising with clients as they are with colleagues.

Responsibilities will include:

- Attendance at client briefings and work in progress design reviews
- Strong skills in being able to illustrate creative solutions clearly for team discussions and client presentations.
- Develop design intent and specify design concepts up to fully detailed construction drawing packages.
- Design the interior in line with the client's brand, always ensuring consistency of image between 3D design elements and other brand manifestations.
- Liaise with line reports to ensure design drawings and specifications are fit for purpose, appropriate to the project constraints of timing and budget, compliant with all applicable rules and regulations and other parameters of the client's brief or requirements.
- Deliver project work in timely fashion as per advised stage deadlines; allow time for project directors and traffic managers to check & approve work; allow time for revisions.
- Comfortable working under tight deadlines and executing multiple designs
- Be pro-active in scheduling liaison with project directors / managers to meet this requirement.
- Assist in presentations to clients and carry out professional, courteous and well-recorded liaison with clients as required.
- Strive to ensure a good working relationship with project and client teams.

Required proficiencies required:

- Previously worked on projects within the Hospitality sector
- High level of competence in Vectorworks is essential
- BIM experience and/or previous use of Vectorworks Architect to it's full capability would be highly beneficial
- Confident presenter
- Good aptitude for conceptual thinking
- Proficient in detail and execution and putting together design intent packs
- Attention to detail and commercial awareness is essential

## **Who we are**

I-AM is a multi-discipline design agency and brand experience consultancy. We create exciting new brands and breathe new life into existing ones. We work across a number of industry sectors, ranging from banks and restaurants to any nature of consumer-facing brands where customer experience is king.

## **Who you are**

Ambitious, curious, intelligent, with a huge can do attitude and a way with people. You'll need to be able to think on your feet, be professional and always be willing to step up to the challenge. We're a team and there is nothing more important than working together.

## **What is I-AM like to work at?**

We have an open plan studio in the heart of Shoreditch, which has a relaxed, and friendly atmosphere. We are an ambitious agency, always listening to new ideas and pushing ourselves further, but with the confidence of having been around for 20 years. There is always an excuse for a gathering and because of this the teams play hard and work hard together.

If you are ambitious, passionate and a team player then we'd love to hear from you; come and help us deliver for our clients and be a part of what makes us, I-AM.

This is a fantastic opportunity with an agency that delivers great work; please contact us today for more information.
