

Junior Graphic/Digital Designer

Location: Shoreditch, London

Rate: £25,000+

Contract: Permanent

Job start date: ASAP

We are an international design agency specialising in brand experience, based in a beautiful old school house in Shoreditch. Our studio has a proven track record within the food, hospitality, finance and retail sectors, and we work with exciting high-profile international clients and small start-ups alike.

We are looking for an intelligent, dynamic Junior Graphic Designer to join our team. The person we are looking for must have a minimum of 1-2 years proven experience working on branding and digital projects.

Responsibilities will include supporting the team with the following:

- Creating world-class, award winning, original and innovative design solutions to meet and exceed client expectations
- Illustrating creative solutions clearly for team discussions and client presentations
- Creating contemporary and forward-thinking digital products
- Designing brand assets and environmental graphics in line with the client's brand and ensuring consistency of image between 2D and 3D design elements
- Carrying out professional, courteous and well-recorded liaison with developers, printers and signage suppliers as required
- Liaising with line reports to ensure brand assets and specifications are fit for purpose, appropriate to the project constraints of timing and budget
- Delivering project work in timely fashion as per advised stage deadlines, allowing time for project directors and account managers to check & approve work and complete any necessary revisions
- Attendance at client briefings, workshops and presentations

Required proficiencies include:

- Confident use of InDesign, Photoshop, Illustrator and Figma
- Experience of digital/web design is essential
- Knowledge of AfterEffects or similar video editing would be highly advantageous but not essential
- Creative, good aptitude for conceptual thinking is essential

This is a fantastic opportunity with an agency that delivers great work; please contact us today for more information.

Who we are

I-AM is a multi-discipline design agency and brand experience consultancy. We create exciting new brands and breathe new life into existing ones. We work across a number of industry sectors, ranging from banks and restaurants to any nature of consumer-facing brands where customer experience is king.

Who you are

Ambitious, curious, intelligent, with a huge can do attitude and a way with people. You'll need to be able to think on your feet, be professional and always be willing to step up to the challenge. We're a team and there is nothing more important than working together.

What is I-AM like to work at?

We run a hybrid working model, working 2 days from home and 3 days a week in our open plan studio in the heart of Shoreditch, which has a relaxed, and friendly atmosphere. We are an ambitious agency, always listening to new ideas and pushing ourselves further, but with the confidence of having been around for 20 years. There is always an excuse for a gathering and because of this the teams play hard and work hard together.

If you are ambitious, passionate and a team player then we'd love to hear from you; come and help us deliver for our clients and be a part of what makes us, I-AM.

STRICTLY NO RECRUITMENT AGENCIES – we will accept direct applications only, speculative applications from agencies will be automatically rejected.

We will start processing the applications from the week of 18th July.
