Location: Shoreditch, London

Rate: £22,000-25,000

Contract: To be employed on a contract basis – 1 year with the potential to extend

Job Posted: 27<sup>th</sup> March

Job start date: ASAP

We are an international design agency specialising in branding and interior design. Our company has a proven track record within the food, hospitality, finance and retail sectors. We have a high-profile client roster and are currently working on projects across the globe.

We are looking for an intelligent, dynamic designer to work at a Junior level within our interior design team. The person we are looking for must have a minimum of 1-2 years proven experience working on interior design projects.

Responsibilities will include supporting the team with the following:

- Creation and presentation of world-class, award winning concepts.
- Conceptualisation of a range of creative, original and innovative design solutions for client project briefs.
- Illustrate creative solutions clearly for team discussions and client presentations.
- Assist with the development of design intent packs, and specify design concepts as required.
- Design the interior in line with the client's brand and ensure consistency of image between 3D design elements and other brand manifestations developed by I-AM.
- Liaise with line reports to ensure design drawings and specifications are fit for purpose, appropriate to the project constraints of timing and budget, compliant with all applicable rules and regulations and other parameters of the client's brief or requirements.
- Deliver project work in timely fashion as per advised stage deadlines; allow time for project directors and account managers to check & approve work; allow time for revisions. Be proactive in scheduling-in liaison with project directors / managers to meet this requirement.
- Assist in presentations to clients and carry out professional, courteous and well-recorded liaison with suppliers as required.
- Strive to ensure a good working relationship on projects between both the Graphics & Interior Design teams.

Required proficiencies required:

- Previously worked on projects within the Hospitality, Finance & Retail sectors
- Confident sketcher
- Competency at Vectorworks, InDesign and Photoshop is desirable
- Being able to work on 3D Visualisation Software (Cinema 4D preferred) would be highly beneficial
- Creative, good aptitude for conceptual thinking
- Proficient in detail and execution e.g putting together design intent packs

This is a fantastic opportunity with an agency that delivers great work; please contact us today for more information.

## **Who we are**

I-AM is a multi-discipline design agency and brand experience consultancy. We create exciting new brands and breathe new life into existing ones. We work across a number of industry sectors, ranging from banks and restaurants to any nature of consumer-facing brands where customer experience is king.

## **Who you are**

Ambitious, curious, intelligent, with a huge can do attitude and a way with people. You'll need to be able to think on your feet, be professional and always be willing to step up to the challenge. We're a team and there is nothing more important than working together.

## **What is I-AM like to work at?**

We have an open plan studio in the heart of Shoreditch, which has a relaxed, and friendly atmosphere. We are an ambitious agency, always listening to new ideas and pushing ourselves further, but with the confidence of having been around for 20 years. There is always an excuse for a gathering and because of this the teams play hard and work hard together.

If you are ambitious, passionate and a team player then we'd love to hear from you; come and help us deliver for our clients and be a part of what makes us, I-AM.
